Luke Mercurio is a Senior Associate in the corporate and commercial team led by Geoff Rees. His area of special interest is employment and industrial relations law with a particular interest on its impact on M&A transactions. He is presently undertaking a Master of Labour Relations Law in the University of Melbourne. Luke's experience includes:

- A detailed understanding of the issues of reliance and third party reliance on the provision of independent expert advice to a corporation;
- Due diligence in commercial M&A transactions;
- A knowledge of the regulatory and commercial environment of the international tertiary education sector;
- Composing effective workplace agreements;
- The realities of the negotiating environment for executive dismissals; and
- The application of the principles of procedural fairness in the selection of athletes for international sporting event.
