Professional qualifications and memberships

- Bachelor of Laws (with Honours) (Monash University)
- Bachelor of Business Systems (Monash University)
- Australian Legal Practitioner
- Member of the Law Institute of Victoria

Scott Wilson is a Senior Associate at Brian Ward & Partners who has wide-ranging commercial law experience including:

- Advice on corporate governance issues including Corporations Act requirements and drafting company constitutions;
- Establishment and internal restructure of corporate entities including not-for-profit entities;
- Drafting and review of various commercial agreements including sale agreements, joint venture agreements, service agreements, supply agreements, leases and licences;
- Merger and acquisition transactions including those involving a listed company and obtaining ACCC merger clearance;
- Property transactions;
- Due diligence and risk identification;
- Advice on intellectual property law issues including registration and protection;
- Drafting of policy documents;
- Documentation and advice for an organiser of dangerous events, including advice on exclusion of liability and preparation of participation agreements; and
- Advising a national business consultancy on various legal matters affecting its business.

Scott has a particular interest in information technology law and his knowledge of computer systems enhances his legal skills in this area.
